Approved by Pharmacy Council of India, New Delhi

# About MGM

The **MGM (Manju Gita Mishra) Group of Institution Patna**, is a private Institution established by **Dr. Manju Gita Mishra** under **"PRAKHAR" (Society Reg. No. 1038/10)**. The MGM Hospital was established in the year 1978, after completion of 33 successful years in healthcare sector, MGM College was established in 2011 for providing higher education to the students specially who are socially and economically weaker & dependent. MGM has been completing 13 years of services to the higher education for rural & remote area students. The Motto of the institution is **"Education to the needy people"**. The Institution is Multi-factorial with IT, Management, Nursing, Pharmacy, Paramedical, Journalism and Law Courses. The college has enormous and quality infrastructure facilities - Classrooms, Laboratories, Library, Computer Lab, Playground, Hostel, Canteen etc. Apart from the regular teaching learning activities, the college strives for the overall development of the student by conducting various extra-curricular activities for them. The college conducts various extension activities to help our students to become aware of their social responsibilities. The college has been working sincerely for the betterment of the student. Apart from the various Government scholarships, the Institution is attempting to implement **earn and learn scheme** for the poor and needy students. At present the total strength of student's is approx 1500. The Institution is sincerely trying to upgrade its academic standards with the help of well qualified and devoted faculty and non teaching staff members.

## Affiliations & Approvals

# From the Desk of the Chairman

“Perfection is not attainable,  
but if we chase perfection  
we can catch excellence.”

**Dr. Manju Geeta Mishra**  
Chairman

As Chairman, I am honored to address you, Our institutions stands as a beacon of knowledge and innovation, committed to fostering academic excellence, personal growth, and societal impact.

In our pursuit of excellence, let us uphold the values of integrity, diversity, and inclusivity. Let us create an environment where every individual feels valued, respected, and empowered to contribute their unique perspectives and talents to our collective journey of learning and discovery.

As we navigate the challenges and opportunities of the modern world, let us remain steadfast in our dedication to providing a transformative educational experience. Let us embrace innovation and adaptability, leveraging emerging technologies and pedagogical approaches to enhance student engagement, success, and well-being.

Together, let us strive for excellence in all that we do, recognizing that our collective efforts have the power to shape the future of our institution, our communities, and our world.

# From the Desk of the Managing Director

“Education is the passport to the future,  
for tomorrow belongs to those who  
prepare for it today.”

**Mrs. Seema Mishra**  
Group Director

It is my privilege to address you, the bright minds and future leaders of tomorrow. Your presence on our campus represents not just an enrollment but a commitment to your own growth, development, and the pursuit of knowledge.

In today's rapidly changing world, the importance of education cannot be overstated. It is the cornerstone upon which successful careers and fulfilling lives are built. As you embark on this journey of learning, I urge you to embrace it wholeheartedly, for it holds the key to unlocking your true potential.

Higher education is not just about acquiring knowledge; it is about transformation, growth, and empowerment. It is about equipping ourselves with the skills, insights, and perspectives necessary to navigate an increasingly complex and interconnected world.

As Director, I am committed to fostering an environment that values academic excellence, innovation, and inclusivity. Our institution prides itself on its diverse community of scholars, learners, and thinkers who come together to push the boundaries of knowledge and discovery.

# Infrastructure :

We are delighted to highlight the diverse array of laboratory facilities available on our campus, each tailored to enhance your learning experience and practical understanding in the field of pharmacy. These laboratories serve as hubs for hands-on experimentation, research, and exploration in various branches of pharmaceutical sciences. These laboratories serve as dynamic platforms for fostering scientific inquiry, critical thinking, and innovation among our students. Through hands-on experimentation and mentorship from experienced faculty members, we aim to empower aspiring pharmacists with the practical skills and knowledge necessary to excel in the pharmaceutical industry and contribute to advancements in healthcare.
